

Kadi Sarva Vishwavidyalaya
Faculty of Engineering & Technology
Electronics and communication Engineering
(Academic Year 2019-20)

Subject Code: EC 507-N	Subject Title: MINI PROJECT
Pre-requisite	

Course Objective:

The educational objectives of this course are

- To estimate the ability of the student in transforming the theoretical knowledge studied so far into a working model of a Electronic system.
- For enabling the students to gain experience in organization and implementation of a small project and thus acquire the necessary confidence to carry out main project in the final year.

Teaching Scheme (Credits and Hours)

Teaching scheme				Total Credit	Evaluation Scheme					Total Marks
L	T	P	Total		Theory		IE Marks	CIA Marks	Pract. Marks	
Hrs	Hrs	Hrs	Hrs		Hrs	Marks				
00	00	02	02	01	00	00	00	40	60	100

In this practical course, each group consisting of three/four members is expected to design and develop a moderately complex electronic system with practical applications; this should be a working model. The basic concepts of product design may be taken into consideration while designing the project.

A committee consisting of minimum three faculty members specialised in Electronics Engineering will perform assessment of the mini project. Students have to submit a report on the mini project and demonstrate the mini project before the evaluation committee.
